Hi there,

Thanks for purchasing from **Unio** | Creative Solutions.

About The File:

Introducing the "Portobello Road - Font Trio".

The squeezed and tight streetscape where beautiful Victorian buildings stand, a vast range of communities, the cosmopolitan and dynamic atmosphere. These characteristics contribute to enrich the distinctiveness of the world famous Portobello Road.

"Portobello Road - Font Trio" depicts a more sophisticated approach where a stylish & modern handwritten script is companioned by a classic serif typeface.

We hence designed a contrasting typography, with the inspiration to recreate the unique mood which echoes in this well known west London road.

This font trio offers in fact a beautiful diversity with a tall serif font and a free-flowing expressive condensed script. A versatile font set which covers several languages based on the Latin alphabet, the commercial version is completed with an extensive accents and diacritics set.
